

**This form is to be used in conjunction with a rule review when ancillary documents are also being reviewed as part of the review process.**

Ancillary documents are interpretive or policy statements that advise the public of the Department's opinions, approaches, or likely course of action. They include documents such as Excise Tax Advisories (ETAs), Property Tax Bulletins (PTBs), and Revenue Policy Memorandums (RPMs). Ancillary documents do not have the "force of law" that a rule is given under the Administrative Procedures Act (Chapter 34.05 RCW). Court decisions, Board of Tax Appeals decisions (BTA), and Washington Tax Decisions (WTDs) **are not** ancillary documents.

**Briefly explain your recommendation:**

**This excise tax advisory provides accurate information but it may no longer be considered useful information. Determination No. 89-89R, 13 WTD 9 (1993) provides a much more comprehensive explanation of and outlines in definitive terms what is encompassed by "credit bureau business" - information gathering, analysis, formatting and explanation, and dissemination.**
